INFORMATION AND ROSTER OF DELEGATES

CONGRESS PRAYER

ALMIGHTY GOD, our heavenly Father, we pray thee to bless the Anglican Congress now assembled for counsel and mutual help in the work of thy Holy Church. Grant that in our Anglican Communion throughout the world we may be faithful to the trust which thou hast committed to us. May thy Holy Spirit enkindle our zeal and strengthen our service, until all tongues confess and bless thee, and the sons of men love thee and serve thee in peace, through Jesus Christ our Lord. *Amen.*

8. Transportation Services

Private Car Pool

(a) Members of the Toronto parishes are most anxious to make the visit of delegates to their city a happy one, and hope that you will take advantage of the voluntary transportation which will be available throughout the Congress for Congress business, shopping, and sightseeing.

(b) Delegates who are accommodated in private homes may request transportation through their host who will know how this can be arranged. Delegates accommodated in hotels or university residences should complete a Request for Transportation form and hand it in at the Congress Information Desk at the Royal York Hotel by 1:00 p.m. the day before the transportation is required.

(c) Transportation may be arranged on shorter notice by calling the Transportation Desk at Congress Headquarters (Telephone 364-5371). Delegates are requested to make their applications one day ahead of the requirement whenever possible.

(d) Because of the excellent public transportation (underground subway) between the University Residences, Discussion Groups, the Royal York Hotel and St. James Cathedral, it is not anticipated that the facilities of the Volunteer Car Pool will be required for transportation between these points.

Departure

(e) Delegates requiring transportation to Union Station or Airport at the conclusion of the Congress are requested to submit transport requests to their Host or the Transportation Desk at Congress Headquarters by 1:00 p.m., Wednesday, August 21st, so that the heavy demand at this time may be co-ordinated. Please state the time of departure of your plane or train on the request and note that train schedules show times as Eastern Standard Time (EST), not Daylight Saving Time (DST) which is in effect in Toronto. To convert from City time (DST) to train time (EST) deduct one hour, e.g. 9:00 p.m. City time is 8:00 p.m. train time. Air schedules are based on Daylight Saving Time.

9. Religious Services

See Programme Book for details and times.

10. Postal
